Welcome Home!

- THE 11 PRINCIPLES OF TRANSFORMUS**
- 1. RADICAL INCLUSION**
Anyone may participate. All are welcome and respected.
- 2. GIFTING**
We are devoted to acts of gift giving.
- 3. DECOMMODIFICATION**
We seek an end to competition, sponsorships, transactions, & advertising.
- 4. RADICAL SELF-RELIANCE**
We discover, exercise and rely on our own resources.
- 5. RADICAL SELF-EXPRESSION**
We encourage radical expression of our unique gifts. In our expression, we respect the rights & liberties of fellow participants.
- 6. COMMUNAL EFFORT**
We value creative cooperation & collaboration. We produce, improve, or share art & methods of communication.
- 7. CIVIC RESPONSIBILITY**
We uplift civil society. We assume responsibility for our actions, communicate civic responsibilities to others, and leave places better than we found them.
- 8. LEAVE NO TRACE**
We respect the environment. We commit to leaving no physical trace of our activities, and leave places better than we found them.
- 9. PARTICIPATION**
Everyone is invited to work. Everyone is invited to play. We achieve through deeply personal participation, and we achieve long through doing.
- 10. IMMEDIATELY**
Immediate experience is the touchstone value in our culture. We are here to share our talents, participate in society, & connect a natural world exceeding human imagination for the experience.
- 11. CONSENT**
Sexual activity requires consent - clear, between participants to engage in specific sexual activity.
